Digital Literacy Awareness Quiz

B *I* U  

This short quiz is designed to test your awareness of safe and responsible digital behaviour — covering cybersecurity, online identity, and professional communication. Answer honestly; there are no trick questions.
* Required

Which of the following is the most reliable way to verify whether an email is genuinely from your bank? *

☒ Multiple choice ▼

- ☐ The email uses your bank's logo and colours ✕
- ☐ The email arrived in your inbox, not spam ✕
- ☐ The sender's domain exactly matches your bank's official website URL ✕
- ☐ The email does not have any spelling mistakes ✕
- ☐ Add option or [add "Other"](#)

Required ☒
